

FAS1030 (Module 1) Ready, Set, Sew

In this module of the course the students' mark break down will be as follows:

40% - tests, quizzes, and demonstrating safety (assessed with checklists)

The students are required to:

- name and explain the function of the sewing machine parts
- demonstrate that they can safely and proficiently use a sewing machine, pressing equipment, and cutting tools
- identify woven, nonwoven, and knit fabrics
- identify care symbols

55% - Project

Students must demonstrate management skills and a competency in a minimum of five sewing techniques. Checklists and rubrics will be used to assess these areas and a rubric will be used to assess the final project.

5 % -Portfolio

Students will be required to keep a portfolio which includes a photograph of the finished project as well as a self evaluation and reflection of the process and the completed article.
