

Freedom of Information and Protection of Privacy Interview/Photograph/Video Consent Form for Extracurricular School Activities

During the normal activities associated with extracurricular school events, local media will often attend the activity to take picture and videos, identify individual students, conduct interviews and report individual results in the media. Information we collect about an individual is considered to be private information according to the Freedom of *Information and Protection of Privacy Act (FOIPP)* and is not to be disclosed without the consent of the individual or their guardian.

_____ is participating in various school-related activities during the _____ / _____ school year. There may be occasions that the local media (newspapers and radio stations) will be taking photographs and videos, conducting interviews and reporting individual achievements. Provision of consent to permit this private information to the local media is voluntary. If consent is not obtained we will not provide information to report on or identify your child and their achievements in the stated extracurricular activity.

Please check the appropriate statement, sign this form, and return it to the school.

_____ I have read and understand the uses that may be made of the personal information by the media and hereby **provide consent** to allow that information to be used by the media to report on local community events.
