**Grade Ten Open Campus Privileges**

Grade ten students are accorded a number of privileges designed to celebrate their status as senior high students at Worsley Central School. With privilege comes the responsibility that the privilege will not be abused.

One of the privileges available to Grade ten students is that of Open Campus during lunch break (11:48-12:37). If parents have given their permission, students in Grade Ten are allowed to leave the school grounds during the lunch break, provided the following conditions have been met. Students in Grade Ten do not have spares, so lunch time is the only time that they will be permitted to leave school grounds.

- a) The student accepts responsibility for punctuality, realizing that the first class after the lunch break begins at 12:37, so the student should be back at school by the warning buzzer, which is at **12:32**
- b) The student shall not leave if a staff member has requested that he stay on school property to serve a detention or make up work etc.
- c) The student must sign out and then sign in again each time he/she leaves the building.**

By signing the form, the parent realizes that their child in Grade Ten may sign out on any or all days for the remainder of the school year. If parents choose not to sign this form, their child will require a note for each and every instance that their child plans on leaving the school grounds.

I, \_\_\_\_\_ parent of \_\_\_\_\_
