

Worsley School PD Plans 2007-2008

PRSD Priority: **Academic and Program Support**

Alberta Ed Business Plan 2007-2010 Goal: **High quality learning opportunities for all**

Goal	Strategies	Resources	Timeline
Utilize technology to enhance practice	Twinning classes using videoconferencing (with out-of-jurisdiction schools) Use of video conferencing and web cams to increase accessibility of courses. Share long-range plans and evaluation practices on-line (all teachers) Use on-line Guide to Curriculum for Social and Math Video conferencing in-service on Oct. 15 (at Worsley) for all Worsley, Hines Creek and Menno Simons staff	More web cams needed AISI funding	Year long Year long by mid-October Year long Oct. 15 PD

Formative Evaluation:

Indicators of Implementation

- School timetable will include more course offerings by videoconferencing, including some students participating using web cams.
- Checklist of teachers' plans as they are put on website
- Use of guides will be reflected in long range plans.

Indicators of Impact (Students)

- Greater choice of classes.
- Consistency of course delivery among the three schools
- Parents accessing plans on-line.
- Student enrolment and completion of courses.

Summative Evaluation:

- Reflected in ICT survey and parent/student surveys
